Phone : (619) 733-2267

## **OBJECTIVE**

Having settled in Mammoth Lakes California, it is my wish to secure a part time day job that allows me to make money and enjoy mammoth. I will be in Mammoth for a year while I study as much as possible, I am re-training myself in advanced 3D computer graphics for virtual reality design and will resume my regular career in a year.

## **PROFILE**

Robert is a very experienced skier and outdoor adventurer, he grew up ski racing in Squaw Valley California. He grew up working in a contractor family building luxury homes.

Mr. Donaghey has decades of experience in 3D modelling and V.R. Design , 2D print design and illustration, special effects video editing and animation.

Robert's fine art is loved by spiritual community's worldwide, the beautiful artwork is filled with deeply insightful metaphors from the worlds' great spiritual teachings.

He is a very hard working , intelligent and self motivated worker and a patient and inspiring teacher and manager.
